

Headlines

Firstly, we have some big congratulations to two of our teams this week.

Our Year 6 Top of the Form Quiz team won their second round away at Harris School and they are now progressing into the quarter-finals.

Our netballers had a stunning 14-1 victory against St David's in Purley.

Both of these victories were demonstrations of excellent team-work and perseverance.

We have had a central theme of wellbeing for our pupils this week with Safer Internet Day on Tuesday and Children's Mental Health Week both taking place. We feel that the open, supportive discussions that we have with our children, along with our nurturing approach to education help to ensure our pupils feel happy and ready to learn.

This Sunday, some of our choir will be performing at a charity concert at St John's, Leatherhead in aid of the Children's Trust - a cause that we will be working more with this year. We wish Miss Andrews and the choir the best and look forward to that special event.

In the meantime, I would like to wish all our families the very best for the weekend.

Mr Leigh Hardie, Head

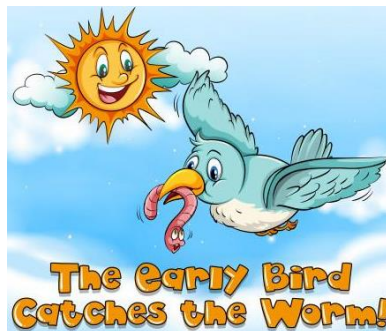

Celebration Assembly

Kindergarten	Oscar	Drama	Ioannis & Aris
Reception	Jeyshaan	DT	Max F
Year 1	Freddie	Music	Elise
Year 2	Amelia	MFL	Macy
Year 3	Ben	Sport	Oscar
Year 4	Sam	House	Drake
Year 5	Rose	Swimming	Reece
Year 6	Lara	Art	Hannah
Netball	Lara & Anjola		
20 Star Badge	Reece, Peter R, Talulla, Ryan, Luca, Leo, Liam		
30 Star Badge	Caeden, Sophie, Mehul, Abigail, Amara, Safia, Kushbu, Austin		

Thought
of the
WEEK...

Will the first bird up in the morning catch the worms? What will happen to the other birds?

Can you think of examples when doing something straight away is a good thing? Is this approach trying to gain advantage over others?

Could this be seen as a 'selfish' saying? How could we make it more 'collaborative'?

Top of the Form

By Amelia C

On Thursday I was one of five of our year six pupils to go to Harris Junior School in Carshalton for the second round of Top of the Form. Although we were extremely nervous, we were determined to try our best and win.

The questions were on a mix of subjects - maths, english, science, geography, history and potluck. Some were exceedingly hard - for example 'what are the components of sand?' and some were much easier!

In the end, Collingwood were victorious winning 53 to 47 points. We congratulated the opposing team for their efforts and thanked the school for having us. We were all thrilled that our hard work did not go to waste! Well done team - Ioannis, Virshan, Tolly and Maxime.

Safer Internet Day 2019 | Tuesday
5 February
Together for a better internet

While the teaching of online safety forms an important part of our PSHE and Computing curriculum, this week we joined forces with schools across the nation for Safer Internet Day 2019.

The theme of assemblies and class discussions was 'Together for a Better Internet' with the key aspects being about 'consent' and 'permission' - asking adults for permission to click on particular sites, asking friends for consent before posting a picture online, etc.

There is a [Parents Pack](#) for the event available.

We would also strongly recommend completing this [short quiz](#) with our older children, which provides some very good discussion points.

Netball Report

By Sahra, Captain

On Wednesday the netball team played a very exciting match against St David's School. The team worked so well together that we won! The score was 14-1 - our teamwork really paid off! I was very proud of the team. My player of the match was Anjola who played a great defensive role in our win.

FIZZ POP SCIENCE

Fantastic Fizz Pop Science is returning to Collingwood after half term for Years 1 to 6. The children took part in a special showcase assembly today and joined in with some amazing experiments. To sign up go to fizzpopscience.co.uk.

MINDFUL MOVEMENT

YOGA CLUB

There will be a Yoga taster session on Thursday 14th February for Years 3-6. See further in the Newsletter for more information.

This week at Collingwood

5A used different metal objects to complete an electrical circuit

1A creating horizon paintings

1A & 2A speaking and questioning

Learning all about Safer Internet Day

3A have created Surrealism shoe box scenes

4A had great fun at the Science Museum

5A painting their Egyptian masks

1A developing their collaboration and communication skills solving challenging time word problems together

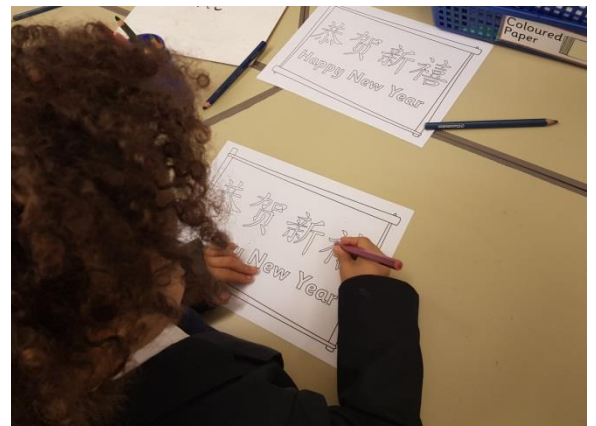

4A & 6A joined forces to discover if sound could be transmitted down a string on a yogurt pot telephone. They used great collaboration, creativity and critical thinking skills!

Congratulations!

新年快樂

Happy Chinese New Year

5A are studying *The Magic Box* by the author Kit Wright. The box is filled with magical moments, experiences and fantastic events. Here are two of 5A's *Magic Box* poems for you to enjoy.

The Magic Box

by Scarlett

I will put in the box
The sound of flowing waves
Water in the lonely lake
The colours of the rainbow in the night sky

I will put in the box
A gas mask from the war
The lovely summer sun
The beautiful breeze in summer

I will put in the box
Two tiny mysterious elves
Three little pixies playing hide and seek
A perfect angel coming down from the sky

I will put in the box
The sound of happiness
The sound of laughter
The sound of sadness

My box is fashioned from high-class silk from India
Bricks of gold
And marble as hard as metal

I shall lay under the summer sun in my box
I will lay in peace
I will slip my feet in the bright yellow sand
I will swim in the bright blue water

by Hannah

I will put in my box
A dalmation dog as fluffy as snow
A silk spinning spider as scary as a werewolf
A creepy dinosaur as red as fire

I will put in my box
A unicorn as pink as cotton candy
A monkey swinging on branches as smooth as silk
An acorn as big as a water bottle

I will put in my box
A black hole as black as the night
A zombie as green as a trees leaves
A griffin as light as a feather

I will put in my box
A blue whale as heavy as an acon
A owl the shape of a rubber
An ice as cold as the north pole

My box is fashioned from
The finest gold used by the king
The smooth wood polished with glitter
The finest silk to go within the box

I shall bathe in my box
Until I get a tan
I shall dance the conga
I will slide down a rainbow in my box

Key dates

Sunday 10 th February	Children's Trust Concert
Tuesday 12 th February	Reception trip to Pizza Express
Wednesday 13 th February	Football match – St David's (home)
Thursday 14 th February	Year 6 Bus Day Training Yoga Taster Session
Friday 15 th February	KS1 Big Sing Years 4 and 6 to Unicorn Theatre to see Icarus
Monday 25 th February	Cross Country for Year 5 and 6 at Warlingham Park
Tuesday 26 th February	Parent Workshop for Kindergarten, Reception, Year 1 and 2
Wednesday 27 th February	High Ashurst Meeting for Year 5 parents – 8.50am House Cross Country
Friday 1 st March	Year 1 Assembly
Saturday 2 nd March	Open Morning 10am to midday

Future term dates:

Spring Term 2019

Half Term: Monday 18th February to Friday 22nd February inclusive

Term finishes Friday 29th March 2019 at midday

Summer Term 2019

Wednesday 24th April to Tuesday 9th July 2019

Half Term: Monday 27th May to Friday 31st May inclusive

Autumn Term 2019

Thursday 5th September to Friday 13th December 2019

Half Term: Monday 21st October to Friday 25th October inclusive

Spring Term 2020

Tuesday 7th January to Wednesday 25th March 2020

Half Term: Monday 17th February to Friday 21st February inclusive

Summer Term 2020

Tuesday 21st April to Thursday 9th July 2020

Half Term: Monday 25th May to Friday 29th May 2020 inclusive

Mindful Movement

Yoga club

Dear Parents

YOGA TASTER SESSION NEXT THURSDAY 14th FEBRUARY

As you know I will be starting the lunchtime Yoga Club after the half term break. I will be offering a taster session next Thursday 14th February for years 3-6. Mindful Movement incorporates Yoga and theories of applied anatomy based on current movement thinking, helping children to explore themselves in an enjoyable and creative environment. The benefits include:

- Strengthens muscles and maintains joint mobility in growing bodies
- Develops self-motivation and focus
- Improves self-confidence and self-awareness through mindful breathing
- Supports a growth mind-set by developing healthy emotions
- Practical tools and wisdom that can be applied to the challenges of everyday life

Here are some experiences shared by children afterwards:

*"I feel relaxed in my heart." "I'm not tired anymore, I have energy!" "It's like a massage."
"I'm strong in my body."*

"I went into myself." "My bones are relaxed." "I'm awake." "I feel calm and rested."

*"At the beginning I felt rough, now I feel smooth." "My head is quiet."
"I fell out of the earth into another world!"*

I have a limited number of 16 spaces. If you would like your child to register for the taster session, please email me your child's full name and year group to:

Jtank@collingwoodschool.org.uk

Kind regards,

A handwritten signature in black ink, appearing to be 'J' followed by a flourish.

Mrs Jagruti Tank
Mindful Movement Yoga Teacher

FIZZ POP SCIENCE

Experiment! Discover! Inspire!

School: Collingwood School
Day and Time: Tuesdays: 15:35-16:35
Dates: 26/2, 5/3, 12/3, 19/3, 26/3

5 Week Programme Cost: £38

Our After School Programmes are designed to inspire our children towards gaining an interest in the Sciences. Our workshops are a mixture of exciting demonstrations and thought provoking hands-on experiments and tasks.

SCIENCE AT WORK!

DETECTIVE SCIENCE!

Become a super sleuth Scientist as we work together with Science to see if we can find out Whodunnit!!
Discover finger prints and other clues left at the scene of the crime!

MARBLE RUN ENGINEER!

We are the builders of the future so let's be prepared! We will use the Science of engineering to build the best structures to carry our marbles over bouncy towers and radical rails!

SPACE EXPLORERS (1+2)!

It's life as an astronaut in this astronomical double session. From finding out about our solar system and using Science to discover life on other planets, to making our own rockets ready for launching! 3...2...1.... LIFT OFF!

CRAZY CHEMISTS!

We learn about the 4 clues of a chemical reaction; from Colour changing liquids to bouncing balls, this is sure to get a reaction from everyone. Chemistry at its best!

FUN GRADUATION!

Hopefully we have given you a taste of the vast array of different scientific work that you may wish to pursue. You will be rewarded with a certificate and a special gift in this fun filled final session.

Terms and Conditions - Refunds can only be given for cancellations made seven days prior to programme commencing. Any cancellations not made within this period will be charged £5.00 administration fee. No reimbursements will be given for any child asked to leave the programme due to bad behaviour. Refunds can not be given for children missing sessions. Programmes may change without prior notice, however every effort is made to keep to workshops as those stated above.

School: Collingwood School - ONLINE SIGN UP ONLY
