# Attendance Policy

Collingwood School

---

## Policy Statement

For the welfare, health and safety and educational benefit of all pupils, Collingwood School registers pupils in all years. The School requires regular attendance and the presence of pupils is checked twice daily at the start of morning lessons and in the afternoon. This attendance register is a legal document subject to the Education (Pupil Registration) (England) Regulations 2006. For this reason, Form Teachers must ensure they are completed properly in accordance with the procedures in this document.

It should be read in conjunction with:

Missing Child Policy, Safeguarding Policy, Fire Policy and Procedures and Admissions Policy.

This policy applies to all members of our school community, including those in our EYFS setting. The importance of this policy and associated procedures is highlighted by the fact that poor attendance or repeated lateness may indicate a safeguarding issue.

Registers are completed electronically on the school's ScholarPack MIS system. In effect, they are completed 'in ink' because the registers can be printed out.

Pupil absences are followed up promptly on the day of absence and parents are required to notify absences in accordance with the procedure set out below.

## Procedures

- All members of the teaching staff must be familiar with the following procedures, and must know how to access the attendance registers, as shown in the diagrams below.
- Form Teachers and the School Office are responsible for recording and following up attendance issues.
- In some cases, (e.g. absence that gives rise to concern, repeated failure to provide a letter or email explaining an absence or extreme cases), the Headteacher will make contact with parents. See thresholds in section below.
- There may be cases in which the local education authority need to be informed about a pupil. See relevant section below.

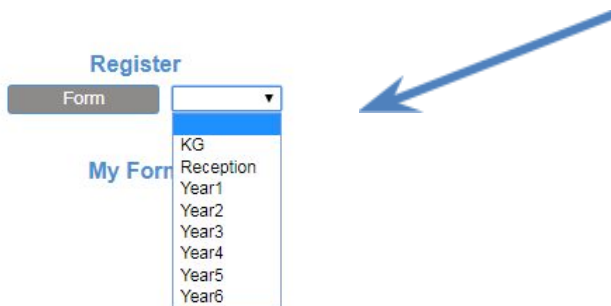

## ScholarPack MIS System for Registers and Codes

1. Open Scholar Pack and log in. Under the Home Icon click Register

2. Select the class that you wish to register from the drop down menu and the pupils for the relevant AP/ PM session appear.

3. Pupils are automatically listed as present and will need to be manually changed to Absent (N code).

Registration is only open for a short window of time. Any children not registered at this point will be marked as late.

Morning registers MUST be completed before 08:50. Any children arriving after this time will be marked as Late (L) with the minutes late recorded. Afternoon registration MUST be completed by 13:40.

## Registration Codes

The attendance register includes the pupil's form group and records if they are absent or present at any given registration session. The codes used in the register are listed below with their meanings.

### **Signing In and Out**

Where pupils arrive or leave the school premises at any other times of the day, they must sign in or out. Signing in and out sheets are located in the School Office. ScholarPack will be updated by the School Office accordingly.

When a child arrives late they must ensure that they are signed in on the signing in and out sheet. The School Office will update ScholarPack accordingly.

### **Following up unexplained absences**

Parents should either contact the School Office by email or telephone before 8.40am to inform the school of any absence or illness. This should be repeated on every day of the absence.

The School Office telephones the parents of all absent pupils, for whom no prior explanation for absence has been received and recorded, before 10.00am each day and records the reason for absence according to the above code.

The School requires that family holidays are not arranged during term time. If this is unavoidable, requests for authorised absences should be made in writing to the Headteacher well in advance of the date. Absence for personal reasons is sometimes unavoidable. In these circumstances, parents should write to the Headteacher, requesting a leave of absence in advance of the date.

It is important that registers are correct and absences are followed up for legal, fire and pupil safety reasons. The School Office should follow up all UNEXPLAINED absences (those marked with a N). Letters received to explain absences e.g. sickness, treatments must be used by the School Office or Form Teacher to update the register. They should then be filed in the School Office.

If an absence cannot be explained, we ask that parents meet the Headteacher to follow it up and give a suitable explanation. It should be made clear that any unexplained absences may be a child protection concern, in line with our Missing Child Policy.

## Other Registers at Collingwood School

- A paper register is taken in before school care (7.30 – 8.20am) and at After School Care (3.15 - 6.30pm)
- Clubs registers are recorded on ScholarPack MIS.
- Off-Site Sport and Fixtures paper registers are taken by the PE teacher before leaving the premises.
- Paper copies of registers can be printed from ScholarPack and taken off site for any visits and activities.
- Each morning a 'Not in School' report is printed and kept with Fire in case of an evacuation.

## Low attendance procedures

The Headteacher will carry out a termly check on attendance figures with children of some concern reported to the Governing Body committee for Safeguarding.

For any child who has dropped below **95% attendance for the term**, a letter will be sent to the parent/s to notify them of this concern and of the potentially negative effect on the child's education. If the attendance does not improve over the following term, the Headteacher will meet with the parent/s to discuss the concern and an action plan to improve attendance. If there are notable concerns, consistent non-attendance or safeguarding concerns as a result of this procedure, the local authority and/or MASH will be contacted.

The Headteacher will carry out discretion on the above procedure as required. For example, absence early on in the term may produce an 'artificially' low % attendance rate (the number of days need to be checked alongside this). Furthermore, if a child has suffered from a persistent illness or injury of which the school is fully aware, it may be decided that there is no current cause for concern with regard to attendance patterns.

## Repeated late arrival procedures

In line with the above procedure, the number of 'late arrivals' for children will be monitored and there will be a termly check by the Headteacher.

For any child who has been registered with six or more of arrivals over the term (or more than one hour lost), a letter will be sent to parent/s to notify them of the disruptive effect of this pattern on the child's education and personal development. If the arrival time does not improve over the following term, the Headteacher will meet with the parent/s to discuss the concern and an action plan to improve attendance. As above, if there are notable concerns, consistent non-attendance or safeguarding concerns as a result of this procedure, the local education authority and/or MASH will be contacted.

The Headteacher will carry out discretion on this procedure as required. For example, a notable run of late arrivals or a child being very late on several occasions, may require an escalation of the procedure ahead of the termly check. Furthermore, the Headteacher may already be aware of the exceptional or temporary circumstances that have caused the pupil to arrive at school late on repeated occasions over that term.

## **Reporting Attendance to the Local Education Authority**

The school will report to the Local Education Authority the following attendance issues:

- 10 days unauthorised absence
- Failure to attend regularly
- Deletion from the school register when the next school is not known
- Deletion from the school register when a child has moved school at 'non-standard times' (during the course of the school academic year)
- Deletion from the school register if a pupil is taken out of school by their parents and is being home educated.
- Deletion from the school register where the pupil has stopped attending School and no longer lives within reasonable distance of the school (unless of course parents have given due notice as per standard procedures and have indicated the next school).
- Deletion from the school register because the pupil has been permanently excluded. When the Headteacher knows the deletion from the school register will apply, the LEA will be contacted

This policy applies to all members of our school community, including those in our EYFS setting. Collingwood School is fully committed to ensuring that the application of this policy is non-discriminatory in line with the UK Equality Act (2010). Further details are available in the school's Equal Opportunity Policy document.

Collingwood School seeks to implement this policy through adherence to the procedures set out in the rest of this document. This document is available to all interested parties on our website and on request from the School Office.
