What a fantastic day at Collingwood. Although many schools celebrated the Platinum Jubilee before half term, we think we have saved the best to last with our own festivities. All the children spent the afternoon outside having a great deal of fun (see some photos below). There was Theo the Magician wowing the crowd; while in the gym we had Dazzling Dave the DJ (Mr Sitch) playing songs through the decades and getting everyone up dancing and finally on the playground; we had a range of traditional outdoor games, such as skittles, hopscotch, tin can alley and more. There was a picnic with jubilee cakes and the whole afternoon was rounded off with a rousing rendition of our national anthem. Every child has their own commemorative jubilee medal, so please do make sure they have brought that home and that they keep it safe as a memento of 2022! A big thank you to our PSA for funding the magical entertainment and the medals.

The day also began with a great celebration of our country with Year 3's assembly as they took us around the British Isles ruled over by our queen, entertaining us and teaching us about our British counties. The audience all loved it, so we should say a big thank you to Miss Tatu for pulling it all together.

Thinking of others in our community is something that we often talk about with our pupils and I should give a special mention to Sharangi (pic below), who did have very long hair until yesterday and donating her lovely locks to the Little Princess Trust, who make children's wigs. Further afield, we have just donated some boxes of the second-hand books left over from our sale to a sister ILG school, Essendene Lodge, who are shipping donations to a school in Malawi in Africa. It is great to know we can contribute to very worthy causes abroad too and I am keen to work more with this charity in future.

Finally, we are looking forward to our Collingwood Sleepover tomorrow – we have most of KS2 coming for a night of fun and maybe some sleep! Parents – enjoy a quieter evening....
