

Headlines

By the time that you receive this, the Collingwood Swimming Gala may not have yet taken place, but we are really excited about this event. In advance, I would like to say a huge thank you to Mr Sitch for organising this and to all the parents who have volunteered to help too (and those parents who are throwing themselves into the water for the Family Race too!)

Looking back to last Friday's fun and the book sale, I wanted to add a quote from Louise Long, who founded the Dylan Strong Foundation charity and wrote to me with a very appreciative email. She added the following:

With your generosity we are one step closer to our goals and of succeeding in our ventures to help and support families of children with cancer and other life limiting illnesses. We would like to thank you for holding your book sale and raising a whopping (just over) £440.00 to go to our charity! That is absolutely amazing so would you please thank all of the parents and children for making this possible. Their generosity will go towards a really great cause in our Dylan's name.

This week, we have had a trip by Year 4 to the Science Museum, which they all really enjoyed and I know it brought their classroom learning to life. Thanks again to Miss Cathie for more drama presentations this week. Again yesterday, we were treated to a few more 'mini shows' – see a couple of pics below. Finally, Year 1 were up on the stage again today with a fantastic assembly that all the families, staff and children enjoyed – there was science, music, art and acting as they retold their 'Percy the Park Keeper' tale. Well done Mrs Da Silva!

A few more events are coming up soon, including the Choir Festival next week for Years 3 and 4 and Year 5's trip away. Wishing you all the best for the weekend...

Mr Leigh Hardie, Head

Stars of the Week

Squirrels – Freddie

Woodpeckers – James

Owls – Raffaele

Ash – Gabriel

Maple – Leo

Birch – Moses

Oak – Ben

Drama – Taevan

Swimming – Daisy Sport – Christina
