The week began with the amazing Collingwood Sleepover on Saturday. It was a festival theme this year with a photo booth, inflatable assault course, circus skills, outdoor games and a campfire. The children seemed to have a very memorable time and it was lovely for so many of our KS2 to come together in this way. I am sure that they were thoroughly tired out the next day, but it was definitely worth it. A very big thank you to Mr Sitch for running the whole operation – just a handful of photos can be seen below.

Also over the weekend, Vinnie (Year 5) and Mitchell (Year 1) were up at Old Trafford football ground in Manchester as the culmination of a fundraiser for the Dylan Strong Foundation and the boys' dad and the team arrived on bikes after a mammoth 220 mile trip journey across the country. It sounded amazing and they have smashed their original target of £5000. Donations can still be made at the charity's [Just Giving page](#).

There has been so much more going this week too rounding off with a Year 3 and 4 trip to RHS Wisley today – they seem to have had a great time and managed to time in the shade of some big trees too out of the heat! We have Year 2 assembly to parents yesterday when the children showed us their notable debating skills and today Year 5 told us about their hopes and aspirations for when they grow up, concluded with some lovely singing. Yesterday, we had the Sweetie Sisters in school for a PSA fundraiser making sweet bundles. As you know, we said a sad goodbye to Mrs Goff on Wednesday and the children presented a lovely card that each child had contributed to. However, I am so pleased that we have the school office in safe hands with Ms Lisa Tidey taking over the reins here.

There is much more coming up over the next few weeks with our KS2 drama show of 'Mary Poppins' next Thursday and Friday. Do buy your tickets as soon as possible if you have not already done so. In the meantime, enjoy a sunny weekend – especially our dads and grandads!
