7 Promoting good behaviour

- 7.1 Pupils are educated about good behaviour through the operation of the School's curriculum, PSHE programme and the School's pastoral support systems. Pupils are encouraged to act responsibly and, through the operation of this policy, to accept responsibility for their behaviour.
- 7.2 The School understands that rewards can be more effective than punishment in motivating pupils. The ways in which the School may reward good behaviour are set out in Appendix 1.
- 7.3 The School recognises that where challenging behaviour is related to a pupil's disability, use of positive discipline and reward methods may enable the School to manage the pupil's behaviour more effectively and improve their educational outcomes.

8 Minor breaches of discipline

- 8.1 The School has pastoral support systems in place to assist pupils in managing their behaviour. A range of sanctions are available for those who breach the School rules and policies for behaviour and discipline.
- 8.2 Allegations, complaints or rumours of minor breaches of discipline are dealt with by staff as they occur. Staff may carry out informal interviews with the pupils involved. Low level sanctions may be given (see Appendix 1 for details of possible sanctions).
- 8.3 When considering the appropriate sanction, the risks posed to pupil welfare by an individual's behaviour will be assessed. This may include consideration of how any action taken, sanctions applied or inaction may affect that individual's welfare and, where appropriate, how it may affect other pupils' welfare and / or the School community as a whole.

9 Serious breaches of discipline

- 9.1 Allegations, complaints or rumours of serious breaches of discipline should be referred to the Head.
- 9.2 The main categories of misconduct which are considered to be serious breaches of discipline include but are not limited to:
 - 9.2.1 supply / possession / use of certain drugs and solvents or their paraphernalia or substances intended to resemble them, or alcohol or tobacco;
 - 9.2.2 theft, blackmail, physical violence, intimidation, racism or persistent bullying;
 - 9.2.3 physical or emotional abuse;
 - 9.2.4 harmful sexual behaviour including sexual violence and sexual harassment;
 - 9.2.5 behaviour in contravention of the School's policies on the acceptable use of technologies or online safety;
 - 9.2.6 supply or possession of pornography;
 - 9.2.7 possession or use of unauthorised firearms or other weapons;
 - 9.2.8 vandalism or computer hacking;
 - 9.2.9 persistent attitudes or behaviour which are inconsistent with the School's ethos;
 - 9.2.10 other misconduct which affects the welfare of a member or members of the School community or which brings the School into disrepute (single or repeated episodes) on or off School premises;
 - 9.2.11 other misconduct specifically provided for in the School's parent contract and School rules.
- 9.3 The range of sanctions for serious breaches of discipline include:
 - 9.3.1 **Suspension:** a pupil may be sent or released home for a limited period either as a disciplinary sanction or as a neutral act pending the outcome of an investigation or pending a Review.

- 9.3.2 **Removal:** the parents may be required to remove a pupil from the School if, after consultation with the Parents and if appropriate the pupil, the Head is of the opinion that:
- (a) the pupil has committed a breach or breaches of School rules or discipline for which removal is the appropriate sanction; or
 - (b) by reason of the pupil's conduct, behaviour or progress, the pupil is unwilling or unable to benefit sufficiently from the educational opportunities and / or the community life offered by the School; or
 - (c) the Parents have treated the School or members of its staff or any member of the School community unreasonably.

In these circumstances, and at the sole discretion of the Head, the Parents may be permitted to withdraw the pupil as an alternative to removal being required.

- 9.3.3 **Expulsion:** a pupil may be expelled from the School for a very grave breach of discipline or a serious criminal offence. Expulsion is reserved for the most serious breaches.

- 9.4 An allegation, complaint or rumour of a serious breach of discipline will be investigated in accordance with the procedures set out in Appendix 2.
- 9.5 If the findings of the investigation support the allegation, complaint or rumour of a serious breach of discipline, a disciplinary meeting will be held in accordance with the procedures set out in Appendix 3.
- 9.6 The Head is required to act fairly and in accordance with the principles of natural justice.
- 9.7 If a pupil is withdrawn from the School before the conclusion of these disciplinary procedures, the School reserves the right to complete the procedures, in the absence of the pupil and the Parents if necessary, and to make a finding. The School reserves the right to refer to such disciplinary action in references provided for the pupil.

10 Parent involvement

- 10.1 The School seeks to work in partnership with Parents over matters of discipline, and it is part of the Parents' obligations to the School to support the School rules.
- 10.2 Parents will be informed as soon as reasonably practicable after it becomes clear that the pupil may face disciplinary action for a serious breach of discipline, unless the School is prevented from doing so by the police if they are involved.
- 10.3 Parents will also be notified of disciplinary sanctions for minor breaches of discipline and may be contacted to discuss the matter if it is considered appropriate to do so.

11 Additional needs

- 11.1 The School will make reasonable adjustments for managing behaviour which is related to a pupil's disability. Staff should seek advice from the Head if they are unsure about how to manage a pupil's behaviour where this is related to a disability.
- 11.2 If there is a concern that a pupil's behaviour is as a result of unmet educational or other needs, advice should be sought from the Head and further action in accordance with the School's policy on special educational needs and learning difficulties will be considered.

- 11.3 Where Expulsion or Removal needs to be considered, the School will ensure that a pupil with a disability or special educational needs is able to present their case fully where their disability or special educational needs might hinder this.

12 Safeguarding

- 12.1 Some behaviour by a pupil towards another may be of such a nature that safeguarding concerns are raised. Safeguarding issues can manifest themselves via child on child abuse. This includes, but is not limited to (from KCSIE 2022):
- *bullying (including cyberbullying, prejudice-based and discriminatory bullying);*
 - *abuse in intimate personal relationships between children;*
 - *physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (this may include an online element which facilitates, threatens and/or encourages physical abuse);*
 - *sexual violence, such as rape, assault by penetration and sexual assault; (this may include an online element which facilitates, threatens and/or encourages sexual violence);*
 - *sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be standalone or part of a broader pattern of abuse;*
 - *causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party;*
 - *consensual and non-consensual sharing of nudes and semi nudes images and or videos (also known as sexting or youth produced sexual imagery);*
 - *upskirting, which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm; and*
 - *initiation/hazing type violence and rituals (this could include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group and may also include an online element).*
- 12.2 The School's policy and procedures with regard to child on child abuse are set out in the School's Child protection and Safeguarding policy and procedures. If behaviour and discipline matters give rise to a safeguarding concern, the procedures in the safeguarding and child protection policy and procedures will be followed).

13 Malicious allegations against staff

- 13.1 Where a pupil makes an accusation against a member of staff and there is reasonable suspicion that the accusation has been deliberately invented or malicious, the Head will consider whether to take disciplinary action in accordance with this policy.
- 13.2 Where a Parent has made a deliberately invented or malicious allegation the Head will consider whether to require that Parent to remove their child or children from the School on the basis that they have treated the School or a member of staff unreasonably and compromised the requirement for mutual trust and confidence.
- 13.3 The School will consider whether the police should be asked to consider if action might be appropriate against the person responsible for the allegation.

- 13.4 The School will consider a malicious allegation to be one where there is sufficient evidence to disprove the allegation and there has been a deliberate act to deceive.

14 Use of reasonable force

- 14.1 Any use of force by staff will be reasonable, proportionate and lawful. Reasonable force will be used as set out in Appendix 4. More detailed guidance about the use of reasonable force is provided to staff in the Staff code of conduct.
- 14.2 Corporal punishment is not used at the School and force is never used as a form of punishment. Corporal punishment by school staff is illegal in all circumstances.

15 Searching pupils

- 15.1 **Informed consent:** school staff may search a pupil or their possessions or accommodation with their consent for any item. If a member of staff suspects that a pupil has a banned item in their possession, they can instruct the pupil to turn out their pockets or bag. If the pupil refuses, sanctions will be applied in accordance with this policy.
- 15.2 **Searches without consent:** in relation to prohibited items, the Head, and staff authorised by the Head, may search a pupil or a pupil's possessions, without their consent, where they have reasonable grounds for suspecting that a pupil has a prohibited item in their possession. Please see Appendix 5 for the School's policy on searching and confiscation.

16 Training

- 16.1 The School ensures that regular guidance and training is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles.
- 16.2 The level and frequency of training depends on role of the individual member of staff.
- 16.3 The School maintains written records of all staff training.

17 Risk assessment

- 17.1 Where a concern about a pupil's welfare is identified, the risks to that pupil's welfare will be assessed and appropriate action will be taken to reduce the risks identified.
- 17.2 The format of risk assessment may vary and may be included as part of the School's overall response to a welfare issue, including the use of individual pupil welfare plans (such as behaviour, healthcare and education plans, as appropriate). Regardless of the form used, the School's approach to promoting pupil welfare will be systematic and pupil focused.
- 17.3 Proprietor has overall responsibility for ensuring that matters which affect pupil welfare are adequately risk assessed and for ensuring that the relevant findings are implemented, monitored and evaluated.
- 17.4 Day to day responsibility to carry out risk assessments under this policy will be delegated to the Head who have/has been properly trained in, and tasked with, carrying out the particular assessment.

18 Record keeping

- 18.1 All records created in accordance with this policy are managed in accordance with the School's policies that apply to the retention and destruction of records.
- 18.2 A record is kept of sanctions imposed for serious misbehaviour. The record includes:
- 18.2.1 the name and year group of the pupil concerned;
 - 18.2.2 the nature and date of the offence;
 - 18.2.3 the sanction imposed and reason for it; and
 - 18.2.4 the name of the person imposing the sanction.
- 18.3 This record is reviewed regularly by the Assistant Head (Pastoral) so that patterns in behaviour can be identified and managed appropriately.
- 18.4 The records created in accordance with this policy may contain personal data. The School has a number of privacy notices which explain how the School will use personal data about pupils and parents. The privacy notices are published on the School's website. In addition, staff must ensure that they follow the School's data protection policies and procedures when handling personal data created in connection with this policy. This includes the School's data protection policy and information security policy.

Appendix 1 Rewards and sanctions

1. Consequences of Positive Behaviour

All staff in our school have high expectations of the children in terms of their relationships, choices and behaviour. Praise is key to nurturing motivated, engaged children who make good choices and consequently build positive relationships. Throughout school all staff should aim to reinforce good behaviour and exclaim how well a pupil has behaved.

We are aware that if we became complacent, many good choices could be taken for granted and many children who always make good choices could become 'invisible'. Therefore, a key priority is to reward and praise good choices in order to reinforce good behaviour, build positive relationships and develop an ethos of kindness and co-operation.

We reward good 'choices' in these ways:

- Verbal praise and written praise for good work
- Academic merits for both effort and achievement, which are celebrated both in the classroom and in assembly
- The Collingwood 'Tree of Virtues', which is a visual record of our core values for those children who regularly demonstrate the positive behaviour listed above
- Displaying examples of excellent work in art/design, sports, and drama and concert achievements
- Informal postcards home to celebrate notable behaviour
- We operate a "star pupil" system, celebrating the successes of a different pupil from each class every week. He/she receives a certificate in the Friday celebration assembly.
- Annual subject and year group prizes
- All children can gain House Points for good behaviour, kindness, thoughtfulness, good work.
- The School's Learning Powers are reinforced and celebrated through a class chart for house points - this includes positive behaviour traits such as cooperation, managing distractions and good concentration.

3. Consequences of Negative Behaviour

A system of yellow and red cards and a follow-up detention system is in place for children who do not respond to initial warnings for their negative behaviour.

The Assistant Head will keep a record of positive/negative incidences and alongside the classroom code good behaviour is reinforced.

When poor behaviour is identified sanctions are implemented. We have a range of disciplinary measures which include:

- A verbal reprimand from a member of school staff
- In Key Stage 2. if the verbal warning does not result in the improvement of behaviour, a yellow card is given.
- A further red card / detention can be given, in which the child is asked to reflect and think about their behaviour.
- In Key Stage 1, a ladder system is in place which allows the children to move up and down based on the choices they make in the classroom.
- Reports to parents (which are always worded to be as constructive as possible);
- Additional schoolwork or repeating unsatisfactory work until it meets the required standard;
- Perfect Apology system in place for after events
- Loss of privileges

The teacher is responsible in the first instance for dealing with minor infringements, such as lateness, casual rudeness or disruption in class, and late or poorly completed work. He/she may impose any of the sanctions above such as the setting of additional work or the pupil may be required to re-do unsatisfactory work. Repetition of this behaviour will be reported to the Assistant Head.

More serious misdemeanours and patterns of misbehaviour are reported to the Head.

When negative behaviour occurs, the staff are expected to be able to respond quickly, positively and effectively. Staff at Collingwood employ, consistently and clearly, a hierarchy of negative consequences if a child breaks a school rule.

We expect children to try their best in all activities. If they do not do so, we may ask them to redo or complete a task. Additionally, the child may be reprimanded and required to stay in at break time. Such a response could be a consequence of incomplete work, insensitivity towards another, inappropriate manners or unkindness to another.

If any child receives a red card, the child is reprimanded, the event recorded and the Assistant Head informed. In these cases, a lunchtime detention will be given. If this persists parents will be invited in to discuss the situation. It is expected that this will be extremely rare and the consequences of such negative behaviour ensure that system is used sparingly and effectively.

The safety of the children is paramount in all situations. If a child's behaviour endangers the safety of others, the class teacher stops the activity and prevents the child from taking part for the rest of that session.

Corporal punishment is prohibited during any activity (whether or not within the school premises) and neither can it be threatened. This applies to all members of staff, including volunteers. 'Physical intervention' may only be used in exceptional circumstances.

The school does not tolerate peer on peer (pupil on pupil) abuse of any sort. This may include bullying (including cyber-bullying), sexual harassment, sexual assault and sexting. If we discover that an act of bullying or intimidation has taken place, we act immediately to stop any further occurrences of such behaviour (please refer to the Anti-Bullying Policy and the Safeguarding Policy). If the behaviour continues, parents will be informed and, if there is reasonable cause to suspect a child is suffering or likely to suffer significant harm, the matter may be reported to the Sutton LCSP. and risk assessments will be put in place. The offending child will be excluded if necessary if previous interventions have been unsuccessful.

Appendix 2 Investigations into serious breaches of discipline

- 1 The Head will appoint a senior member of staff to carry out an investigation.
- 2 Parents will be informed as soon as reasonably practicable after it becomes clear that the pupil may face disciplinary action for a serious breach of discipline, unless the School is prevented from doing so by the police if they are involved.
- 3 An investigation and any subsequent meeting will be conducted fairly and in a way which is appropriate to a school, without formal legal procedures.
- 4 A pupil may be suspended from the School while a complaint is being investigated or while an investigation is on hold (see paragraph 7 below). Should a suspension continue for a period of more than five School days, the School will take reasonable steps to put in place arrangements to ensure the continuing education of the pupil. Parents should note that there may be a delay in providing work whilst teaching staff are given the opportunity to determine what work should be set. Alternatively, the pupil may be offered a segregated regime on School premises.
- 5 A pupil's space or belongings may be searched during the course of the investigation. See Appendix 5 of this policy for the School's policy on searching and confiscation.
- 6 If the pupil is to be interviewed as part of the investigation, arrangements will be made for him / her to be accompanied by a member of staff of his / her choice and /or by a Parent (if available at the relevant time). A minute of the interview will be recorded in writing by the interviewing member of staff. The pupil may be asked to confirm any statement made or minute taken to be true and accurate.
- 7 It may be necessary to delay an investigation or put it on hold, for example where external agencies such as the police or social services are involved and have advised that this is necessary. A decision to suspend an investigation will take into account advice from appropriate external agencies and will be subject to periodic review. If considered necessary, the School may make arrangements for legal representation for the pupil to be funded entirely at the Parents' expense. Regardless of delays caused by a police or other external agency investigation, the School will provide appropriate pastoral and other support for all pupils affected by the allegations under investigation.
- 8 The outcome of the investigation will be reported to the Head. If the findings of the investigation appears to support the allegation, complaint or rumour, a disciplinary meeting will be held in accordance with the procedures in Appendix 3 of this policy.

Appendix 3 Disciplinary meeting with the Head

- 1 Where the findings of the investigation into an allegation, complaint or rumour of a serious breach of discipline appears to support the allegation, complaint or rumour, a disciplinary meeting with the Head will take place.
- 2 **Attendance**
 - 2.1 The pupil and his / her Parents (if available) will be asked to attend the disciplinary meeting with the Head. The pupil may also be accompanied by a member of staff of his / her choice. Where the complaint concerns the behaviour of the Parents, the pupil will not generally be expected to attend the meeting and this procedure applies to the Parents only.
 - 2.2 The person who undertook the investigation will be in attendance to explain the circumstances of the complaint and his / her investigation and an additional member of staff will be present to minute the meeting.
 - 2.3 If the Parents or the pupil have any special needs or disability which call for additional facilities or adjustments (e.g. parking or the provision of documents in large print or other accessible format) those requirements should be made known to the Head so that appropriate arrangements can be made.
 - 2.4 If a Parent is unable to attend because of, for example, travel and working commitments, the School will make reasonable alternative arrangements to ensure the Parent can be involved, remotely if necessary, with the disciplinary process and their child's education.
- 3 **Meeting**
 - 3.1 Documents available at the disciplinary meeting with the Head may include:
 - 3.1.1 a statement setting out the allegations regarding the pupil or, where applicable, the Parents;
 - 3.1.2 written statements and notes of the evidence supporting the allegations, and any relevant correspondence;
 - 3.1.3 the investigation report;
 - 3.1.4 the pupil's school file and (if separate) conduct record;
 - 3.1.5 the relevant School policies and procedures.
 - 3.2 The Head will consider the allegations and the evidence, including statements made by and / or on behalf of the pupil or, where applicable, the Parents.
 - 3.3 The pupil and his / her Parents will have an opportunity to state their side of the case.
 - 3.4 The Head will inform the pupil and his / her Parents of the range of disciplinary sanctions which the Head considers are open to him / her if the allegation, complaint or rumour is sufficiently proved.
 - 3.5 Unless the Head considers that further investigation is needed, he / she will close the meeting and inform the pupil and the Parents that they will be notified of his / her decision in writing.

4 **Decision**

- 4.1 The Head will consider whether the allegation, complaint or rumour has been sufficiently proved. The standard of proof shall be the civil standard, i.e. the balance of probabilities. The pupil's disciplinary record will be taken into account where the complaint concerns the conduct of the pupil.
- 4.2 The Head may expel or remove a pupil or impose any other sanction he considers to be appropriate in accordance with this policy.
- 4.3 The Head will notify the Parents of his decision in writing, with reasons, within three working days of the disciplinary meeting.
- 4.4 A decision to expel or remove a pupil shall take effect five working days of the date of the Head's letter confirming his / her decision. Until then, the pupil shall remain suspended and away from School premises.

5 **Review**

- 5.1 The Parents or the pupil may request a Review of the Head's decision to expel or remove a pupil from the School or where the pupil is suspended from the School for 11 working days or more or where a suspension would result in the pupil missing a public examination]. The request must be made within five working days of the date of the Head's letter confirming his decision.
- 5.2 If such a request is made, the pupil shall remain suspended until the Review has taken place and either the sanction is upheld or a reconsidered decision made.
- 5.3 See the expulsion and removal: review procedure for further information about requesting a Review and the detail of the procedure.

6 **Leaving status**

- 6.1 If a pupil is expelled or removed, his / her leaving status will be one of the following: expelled, removed or, if the offer is made by the Head and accepted by the Parents, withdrawn by parents.
- 6.2 Additional points of leaving status may include:
 - 6.2.1 the form of letter which will be written to the Parents and the form of announcement in the School;
 - 6.2.2 the form of reference which will be supplied for the pupil;
 - 6.2.3 the entry which will be made on the School record and the pupil's status as a leaver;
 - 6.2.4 arrangements for transfer of any course and project work to the pupil, his / her Parents or another school;
 - 6.2.5 whether (if relevant) the pupil will be permitted to return to School premises to sit public examinations;
 - 6.2.6 whether (if relevant) the School can offer assistance in finding an alternative placement for the pupil;
 - 6.2.7 whether the pupil will be entitled to leavers' privileges;

- 6.2.8 the conditions under which the pupil may re-enter School premises in the future; and
- 6.2.9 **financial aspects:** payment of any outstanding fees and extras; whether the deposit will be returned or credited; refunded of prepaid fees.

Appendix 4 Use of reasonable force

- 1 There are circumstances when it is appropriate for staff to use reasonable force to safeguard pupils. Any use of reasonable force will be in accordance with the DfE guidance **Use of reasonable force (DfE, July 2013)**.
- 2 Reasonable force may be used to prevent a pupil from doing or continuing to do any of the following:
 - 2.1 committing a criminal offence;
 - 2.2 injuring themselves or others;
 - 2.3 causing damage to property, including their own;
 - 2.4 engaging in any behaviour prejudicial to good order and discipline at the School or among any of its pupils, whether that behaviour occurs in a classroom or elsewhere.
- 3 In these circumstances, force will be used for two main purposes: to control pupils or to restrain them. Reasonable force may be used, for example, to restrain a pupil at risk of harming themselves or another individual or to prevent a pupil leaving a classroom where allowing them to do so would risk their safety or lead to behaviour that disrupts the behaviour of others.
- 4 In addition, reasonable force may be used to conduct a search for certain "prohibited items" (see Appendix 5 below).
- 5 In these circumstances, 'reasonable' means using no more force than is needed.
- 6 In deciding whether reasonable force is required, the needs and particular vulnerabilities of individual pupils will be considered and reasonable adjustments will be made for pupils with special educational needs or disabilities. The School will establish proactive and positive behaviour support strategies for pupils with particular needs, in consultation with their parents, to reduce the occurrence of challenging behaviour and the need to use reasonable force.
- 7 Where reasonable force is used by a member of staff, the Deputy Head must be informed of the incident and it will be recorded in writing. The pupil's Parents will be informed about serious incidents involving the use of force. In the EYFS setting, the pupil's Parents will be informed about any use of force on the day of the incident or as soon as reasonably practicable.

Appendix 5 Searching, Screening and confiscation

- 1 All schools have a general power to impose reasonable and proportionate disciplinary measures (Education and Inspections Act 2006). This enables a member of staff to confiscate, retain or dispose of a pupil's property as a disciplinary penalty where it is reasonable to do so.
- 2 The School's policy on searching and confiscation has regard to the DfE guidance **Searching, screening and confiscation: advice for schools (DfE, July 2022)**.
- 3 **Prohibited items**
 - 3.1 The following are "prohibited items" under Section 550ZA(3) of the Education Act 1996 and Regulation 3 of the Schools (Specification and Disposal of Articles) Regulations (SI 2012/951):
 - 3.1.1 knives or weapons, alcohol, illegal drugs and stolen items;
 - 3.1.2 tobacco and cigarette papers, fireworks and pornographic images;
 - 3.1.3 any article that a member of staff reasonably suspects has been, or is likely to be used:
 - (a) to commit an offence; or
 - (b) to cause personal injury to, or damage to the property of, any person (including the pupil); and
 - 3.1.4 any item banned by the School rules that are identified as being items which may be searched for.
 - 3.2 The School has banned items that are reasonably believed to be likely to cause harm or disruption. Pupils must not have these items in their possession on School premises or at any time when they are in the lawful charge and control of the School (for example on an educational visit).
- 4 **Searching with consent**
 - 4.1 Before any search is undertaken the pupil will usually be asked to consent. In seeking consent, the age and maturity of the pupil will be taken into account together with any special needs the pupil may have. Written consent will not usually be required.
 - 4.2 The consent of the pupil must be obtained for searches for items that are not "prohibited items" as listed in section 3 above. The consent of the pupil must be sought even if he / she is not at the School at the time. If a member of staff suspects that a pupil has an item that is banned by the School they can instruct the pupil to turn out his / her pockets or bag.
 - 4.3 If the pupil refuses to provide consent disciplinary action may be taken in accordance with the School's behaviour and discipline policy.
- 5 **Searching for prohibited items**
 - 5.1 Where the Head or an authorised member of staff has reasonable grounds to suspect that a pupil may have a prohibited item, consent is not required and the

search will be carried out, using reasonable force if necessary (such force may not be used in searches for items included in 3.1.43.1.3(b) above).

- 5.2 Searches will be carried out only on School premises or, if elsewhere, where the member of staff has lawful control or charge of the pupil, for example on an educational visit or in training settings.
- 5.3 If it is believed that a pupil has a prohibited item, it may be appropriate for a member of staff to carry out:
 - 5.3.1 a search of outer clothing; and / or
 - 5.3.2 a search of School property (e.g. pupils' lockers or desks)
 - 5.3.3 a search of personal property (e.g. bag or pencil case).
- 5.4 Searches will be conducted in such a manner as to minimise embarrassment or distress. Any search of a pupil or their possessions will be carried out in the presence of the pupil and another member of staff. Where a pupil is searched, the searcher and the second member of staff present will be the same sex as the pupil.
- 5.5 Where it is reasonably believed that serious harm may be caused if the search is not carried out immediately and it is not practicable to summon another member of staff, a member of staff may carry out a search of a pupil of the opposite sex and / or in the absence of a witness.
- 5.6 Where the Head, or staff authorised by the Head, find anything which they have reasonable grounds for suspecting is a prohibited item, they may seize, retain and dispose of that item in accordance with this policy.

6 **Confiscation**

- 6.1 Under the School's general power to discipline, a member of staff may confiscate, retain or dispose of a pupil's property as a disciplinary penalty where it is reasonable to do so.
- 6.2 Confiscation of an item may take place following a lawful search, as set out above, or however the item is found if the member of staff considers it to be harmful or detrimental to School discipline.

7 **Searching electronic devices**

- 7.1 An electronic device such as a mobile phone or a tablet computer may be confiscated in appropriate circumstances in accordance with this policy. If there is good reason to suspect that the device has been, or could be used to cause harm, to disrupt teaching or break School rules, any data or files on the device may be searched and, where appropriate, data or files may be erased before the device is returned to its owner. Any search of an electronic device should be conducted in the presence of another member of staff.
- 7.2 Any data or files will only be erased, if there is good reason to suspect that the data or files have been, or could be used to cause harm, to disrupt teaching or break School rules.
- 7.3 If inappropriate material is found on an electronic device, the member of staff may delete the material, retain it as evidence of a breach of School discipline or criminal

offence or hand it over to the police if the material is suspected to be evidence relevant to an offence.

- 7.4 Staff should not view or forward illegal images of a child. When viewing an image is unavoidable staff should follow the School's policy on sexting as set out in Appendix 1 of the Safeguarding and Child Protection Policy and Procedures.

8 Disposal of confiscated items

- 8.1 **Alcohol:** alcohol which has been confiscated will be destroyed.
- 8.2 **Controlled drugs:** controlled drugs will usually be delivered to the police as soon as possible. In exceptional circumstances and at the discretion of the Head or authorised member of staff, the drugs may be destroyed without the involvement of the police if there is good reason to do so. All relevant circumstances will be taken into account and staff will use professional judgement to determine whether the items can be safely disposed of. They will not be returned to the pupil.
- 8.3 **Other substances:** substances which are not believed to be illegal drugs but which are harmful or detrimental to good order and discipline may be confiscated and destroyed. Where it is not clear whether or not the substance seized is an illegal drug, it will be treated as though it is illegal and disposed of as above.
- 8.4 **Stolen items:** stolen items will usually be delivered to the police as soon as possible. However, if, in the opinion of the Head or authorised member of staff, there is good reason to do so, stolen items may be returned to the owner without the involvement of the police. This is likely to apply to items of low value, such as pencil cases.
- 8.5 **Tobacco or cigarette papers:** tobacco or cigarette papers will be destroyed.
- 8.6 **Fireworks:** fireworks will not be returned to the pupil. They will be disposed of safely at the discretion of the Head or other authorised member of staff which may include donation to an appropriate charity.
- 8.7 **Pornographic images:** pornographic images involving children or images that constitute "extreme pornography" under section 63 of the Criminal Justice and Immigration Act 2008 will be handed to the police as soon as practicable. As possession of such images may indicate that the pupil is at risk of harm, the Designated Safeguarding Lead will also be notified and will decide whether to make a referral to children's social care.
- 8.8 Other pornographic images will also be discussed with the Designated Safeguarding Lead. The images may then be passed to children's social care for consideration of any further action. If no action is to be taken by the local authority the images will be erased after a note has been made for disciplinary purposes, confirming the nature of the material.
- 8.9 **Article used to commit an offence or to cause personal injury or damage to property:** such articles may, at the discretion of the Head or authorised member of staff taking all the circumstances into account, be delivered to the police, returned to the owner, retained or disposed of.
- 8.10 **Weapons or items which are evidence of an offence:** such items will be passed to the police as soon as possible.

- 8.11 **An item banned under School rules:** such items may, at the discretion of the School or authorised member of staff taking all the circumstances into account, be returned to its owner, retained or disposed of. Where staff confiscate a mobile electronic device that has been used in breach of School rules to disrupt teaching, the device will be kept safely until the end of the school day when it can be claimed by its owner, unless the Head considers it necessary to retain the device for evidence in disciplinary proceedings in accordance with 8.12 below. If a pupil persists in using a mobile electronic device in breach of School rules, the device will be confiscated and must be collected by a Parent.
- 8.12 **Electronic devices:** if it is found that a mobile phone, laptop or tablet computer or any other electronic device has been used to cause harm, disrupt teaching or break School rules, including carrying out cyberbullying, the device will be confiscated and may be used as evidence in disciplinary proceedings. Once the proceedings have been concluded the device must be collected by a Parent and the pupil may be prohibited from bringing such a device onto School premises or on educational visits. In serious cases, the device may be handed to the police for investigation.

9 **Communication with Parents**

- 9.1 There is no legal requirement for the School to inform Parents before a search for banned or prohibited items takes place or to seek their consent to search their child and it will not generally be practicable to do so. In appropriate cases we will inform Parents on how the School will dispose of certain items.
- 9.2 We will keep a record of all searches carried out, including whether the search is with or without the consent of the pupil. The record will include details of any disposal of items confiscated.
- 9.3 Complaints about searching or confiscation will be dealt with through the School's parental complaints policy and procedures.
- 9.4 The School will take reasonable care of any items confiscated from pupils. However, unless negligent or guilty of some other wrongdoing causing injury, loss or damage, the School does not accept responsibility for loss or damage to property.
